THE NEW NIGHT DRAWER
ISSUE 143
MARCH 23, 2025

YIKES!!!

Yikes! That's what people say when they see something scary or maybe their friend told them a story about a bad date or something. There are a lot of exclamations of fear and surprise: Ahhh! Zoinks! Jinkeys! Egads! Mamma mia! Ruh Roh! Holy moley! Gee Willikers! Just to name a few...

But today we are all making a zine for Yikes! Sometimes the prompt is a noun, or a string of adjectives. Most of the times those are easy to draw because they immediately conjure an image in the mind of the artist. With a prompt like Yikes! the artists mind conjures not an image but an event. There is something in everyone's life that has made them say "Yikes!" and for everyone it is different.

It may be bugs, it may be an embarrassing sequence of events, it may be something scary on the other side of your front door. Tonight each page of this zine will be the Yikes! of a different drawer, all of whom were here at Le Voyeur on Sunday March 23rd, 2025 at 7pm. We chose the prompt out of the drawer, as usual, and then began to draw. You could also do this! You could make a page yourself, just arrive at Le Voyeur sometime between 7-10pm. There are drawing supplies and even paper. We even have a typewriter you can use that I am writing this introduction on!

The only thing left now is to turn the page, I guaraentee that at least one of the pages will probably make you say Yikes!

The Night Drawer is a drawing night and collaborative art zine made every week on Sundays at Le Voyeur in Olympia, WA. At 7pm a new prompt is chosen from the drawer and eveyone is invited to make a page inspired by that prompt. No one knows what the prompt will be beforehand, but anyone can add new prompts into the drawer at any time. All the pages are collected and made into this zine. The Night Drawer is open to the public and welcomes artists of all styles and skill levels.

This week's artists are:
